HARD ROCK / ALTERNATIVE METAL

DR1VR

Hard-hitting riffs. Melodic intensity. Raw emotion.

Dr1vr is a five-piece rock band from California's Central Valley, bringing together heavy guitars, atmospheric dynamics, and memorable vocals. Members come from Fresno-area projects including Mercury Bullet, Six Ounce Gloves, Mynis, and Comacova.

FOR FANS OF DEFTONES · BREAKING BENJAMIN · CHEVELLE

Built for intimate rooms and big stages alike, Dr1vr moves between the grit of hard rock and the pulse of modern alternative metal. Explore the music, meet the lineup, and get in touch about a show or interview.
